Re: Interlocal Agreement with the City of Wylie for GIS Services

The Information Technology department respectfully request approval to proceed with another year of an Interlocal Agreement with the City of Wylie.

The City of Wylie has once again contracted with Collin County to perform GIS Services. Our Purchasing Department will attach the Interlocal Agreement signed by Wylie's Mayor and City Manager that covers the GIS services in detail. The agreement also includes maintenance cost for past services and deliverables. The total revenue for Collin County will be \$15,000.
